He has numerous publications in the leading professional finance journals, including: *The Journal of Finance*, *The Journal of Financial and Quantitative Analysis*, and *Mathematical Finance*. He has been a consultant to several corporations, funds, and law firms. His joint monograph in *Financial Markets, Institutions & Instruments* (Blackwell Publishers, May 1994) with the mathematician R. Tyrrell Rockafellar, entitled *Mathematics of Debt Instrument Taxation*, is the leading research publication in that area.
